Introduction

Back during Presidential campaign year 2004, my associates and I were calling attention to an important book on the subject of *The Confessions of an Economic Hit-Man*. That man had a conscience. In the following report, LPAC is featuring a much bigger story, on the subject of George Soros as a political-economic hit-man. The George Soros we present in this report, has no conscience about what he has done, or what he does. This is a report written, in large part, by Soros' own mouth.

George Soros is not a top-ranking financier, he is like the mafia thug, without a real conscience, like a thug sent to kill a friend of yours, but only a hit-man for the really big financial interests, hired out to rob your friends, and you, of about everything, including their nation, and your personal freedom.

George Soros does not actually own Senator Barack Obama; some other people do; but, Soros is a key controller, and seemingly the virtual owner of both Democratic Party Chairman Howard "Scream" Dean, that Party, perhaps your political party, and, in fact, your nation, which are both what political-economic hit-man George Soros is aiming to destroy.
