Rachel Brown made “Glass-Steagall” a household word in Massachusetts’ 4th CD, campaigning against Rep. Barney Frank.

optimistic leadership during some of the darkest days of the last century.

Here are her words.

“‘We have nothing to fear but fear itself,’ are the well-known words of President Franklin Roosevelt; but do we really understand what he meant? After having elected another slate of Congressmen out of hatred rather than support for a real policy, now the population, and Congress members themselves, are demoralized; they are pessimistic about our chances of winning the big, crucial fights. This is the type of pessimism which is crippling. This is the factor which allows a nation which could otherwise overcome present challenges, to fail.

“LaRouchePAC, and our three candidates, including myself, are not going to allow our citizens to become demoralized, because there are clear solutions, and they are embedded in our nation’s history. Now is the time, to start acting like an American again. Today is the anniversary of the Boston Tea Party. Remember the tea of the British East India Company, which we calmly refused to accept? Remember the non-importation of British goods, beginning in 1768? We understood then, what the crucial issue is, now. National sovereignty must be defended.

“Glass-Steagall and NAWAPA are the way out. Glass-Steagall is the only way to wipe the worthless speculative debt obligations off of our nation’s books.

Fighting Words Launch Campaign for Congress

Dec. 16—LaRouche Democrat Rachel Brown, who inspired tens of thousands of Massachusetts voters, and gave corrupt Rep. Barney Frank the run of his life last November, today declared her candidacy for that seat, recalling President Franklin Roosevelt’s courageous,

NAWAPA, the North American Water and Power Alliance, will revitalize our productive economy and provide scientific challenges to stimulate our levels of technology and understanding. Through large-scale transformation of the Biosphere, weather, and atmospheric conditions, NAWAPA will allow mankind on Earth to begin interacting self-consciously with extra-terrestrial cosmic radiation, and improve the planet for a long time to come.

“If we don’t do this, we know what will happen. The Eurozone could collapse by Christmas, either by the default of the debt of Spain, the refusal of Germany and France to consent to the establishment of a “euro-bond,” Irish resistance to a bailout of British banks, or any number of other weak points; and this will set off a global chain-reaction collapse. We are already experiencing the effects of the cuts related to the bailout of this speculative debt in our cities across the nation. The Boston School Board voted last night to close or merge 18 schools, and 73% of cities and counties surveyed have reduced public health support in the last six months.

“Now is a time when we must rise to a new level as a nation; to take advantage of the crisis, to make even greater advances in our conception of economy. For these reasons, I am declaring my intent to run again for office in the 4th Congressional District of Massachusetts in 2012.

“I will be re-establishing a website in coming weeks, but be sure to stay on the LaRouchePAC.com website daily. Join the fight, and contribute!”
